“A family tradition enticing producers to source sustainable products while protecting our ecosystem.”

# VIMA FOODS HISTORY

## VIMA PRESIDENT | **VICTOR MORO**

---

Over the past 30 years, the VIMA Group has managed to sustain a gradual and constant growth, consolidating its position among the most relevant companies in the sector at the international level.

The commitment to our customers and suppliers, and the experience accumulated throughout our history, has earned us the trust of the world's leading hotel chains, the most renowned restaurants, and supermarkets with extensive international presence.

This has been possible thanks to our group of passionate and dedicated associates who run each one of our departments, with the highest level of professionalism.

We have stressed our commitment in supporting sustainable sourcing, while protecting the world's environmental resources.

Quality a "Chef" will ask for.
